

## IRISH FIRE ENGINEERING SCHOLARSHIP

The scholarship scheme is available to provide assistance to candidates wishing to pursue a study in a fire engineering related area. The Branch have allocated €1,250 per year for applications received and from the 1st September 2002 a member may only be in receipt of one award. Application should be made to the Branch Secretary before 31st August in any year.

The educational sub committee will examine the application and its decision ratified by Council before approved at the Annual General Meeting of the Branch. Candidates must be fully paid up members for the three years prior to the application. Send completed form to: P.A. Halley, Branch Hon. Secretary, Bothar Maol, Blackrock, Co. Louth. Tel: (042) 933 4666
